

## TRACEY WOLSLEY

Tracey has been actively involved in the Bendigo region for over 20 years. Since being ordained and priested in the Anglican Church almost 10 years ago she has served in the Parish of Eaglehawk, Inglewood and SE Bendigo. In 2008 Tracey took on the role of Chaplain to the NW Region of CFA and was thrown in the deep end with events of Black Saturday

in 2009 being appointed Community Chaplain in the Fire Affected Areas of Bendigo. After less than 2 weeks and following consultation with the community Tracey opened 'Our Place ...a place of hope' Fire Recovery/Community Assistance Centre in Eaglehawk. From the time its doors were opened Our Place has continued to grow and thrive and provide an important service in the community. As Director Tracey is kept very busy and in March last year opened 'Our Shed' Community Resource Centre and just recently 'Our House', 'Our Garden' and 'Our Chapel'.

Alongside this ongoing role Tracey also works in flood Recovery, sits on numerous community boards and is mum to 4 'supposedly' adult children. She has a passion for people to know the love, grace and mercy of God in their lives. Her joy is watching people grow and blossom, engaging the church in the life of the community and embracing the community into the life of the church.

## HELEN & ALLAN MEYER

Both trained teachers Helen & Allan Meyer were married in 1968 and called to Youth Ministry in 1978. They became Senior Ministers to Mt Evelyn Christian Fellowship in Melbourne in 1983. Later renamed Careforce Church they ministered there for the next 27 years. In 1992 Allan and Helen established Careforce Lifekeys – a ministry focused on bringing healing to

broken people; discipleship, church health and evangelism. They created a Facilitator Training Program and 12 individual programs to release ministry touching thousands of churches throughout Australia, New Zealand, the USA, and other parts of the world. In 2004 Allan produced a program (Valiant Man) designed to restore and fortify the moral and spiritual integrity of men. More than 30,000 men have experienced this program.

Helen's own personal testimony of healing from the impact of being raised in a household with chemical dependency issues, and the early loss of her mother, assists her in sharing the healing process in a practical way. Since leaving the staff of Careforce Church in 2009 they now travel throughout the world, training, preaching, and coaching churches to use the Careforce Lifekeys programs effectively. Helen and Allan celebrated their 42nd wedding anniversary last year. They have 4 children and 9 grandchildren.
